

Mission Opportunity

Morning Star Fishermen is excited to announce a series of mission trips to Jinotepé, Nicaragua.

The purpose of these trips is to build a fish farm and training center to spread the know-how and materials necessary to teach people to feed themselves high quality fish and vegetables.

Nicaragua is the second poorest country in the western hemisphere after Haiti and the poor there are in desperate need of our help.

This project, made possible by cooperation between MSF, the Rotary Foundation and Rotary Clubs in the US and Nicaragua, seeks to address the nutritional needs of the poor and needy in the region.

You can be part of the team making a difference in the lives of the people of central Nicaragua and beyond by helping build the facility and giving a hand up to the desperately poor people of Nicaragua.

Trips are being organized now for 2009. Each trip will be a week long, and we need four month advance intent notice from interested individuals.

Estimated cost of these trips is \$1,250.00 to \$1,500.00 per person depending on flight expenses and includes housing, food and transportation in Nicaragua.

Come Join Us in Making a Difference in the Lives of the Hungry and Malnourished.
